ORDER

Government have received requests from the employees appointed as Machine Operator Grade II in the Common Facility Service Centres through Kerala Public Service Commission for considering them for further promotions in the department as provided in the Special Rules, which is being denied to them for nearly one decade for the reason that the posts are not included in the Special Rules for Kerala Industries Subordinate Service Rules issued as per the G.O. 1st cited. They have approached the Hon'ble Kerala Administrative Tribunal also for this purpose. The Director of Industries & Commerce has expressed their inability in the matter since the post is not included in the Special Rules.

Government have examined the matter and found that the posts of Machine Operator Grade I & Machine Operator Grade II are sanctioned to the Common Facility Service Centres under the Department of Industries & Commerce early from its formation. These posts are included in the latest pay revision order issued as per G.O (P) No. 85/2011/Fin. Dated 26.02.2011 also. Though these posts were not

included in the Special Rules, the post of Machine Operator, CFSC is included in the rules, without specific categorization. The amendments to Special Rules for Kerala Industries Subordinate Service Rules is being processed in Government.

In the circumstances, Government are pleased to clarify that the posts of Machine Operator Grade I & Machine Operator Grade II in the Common Facility Service Centres under the Department of Industries & Commerce are part of the Kerala Industries Subordinate Service. The incumbents appointed in the cadres shall be eligible for all the service benefits provided in the Special Rules for Kerala Industries Subordinate Service. This has the concurrence of Kerala Public Service Commission and this shall be subjected to the finalization of the proposed amendment of Special Rules for Kerala Industries Subordinate Service Rules.
